Registration expires July 17, 2027

MISSION-READY SUPPORT, BUILT AROUND YOUR OBJECTIVES.

Silver Lake Services, LLC provides facilities, operational, logistics, and event support for federal, state, and local government agencies. We coordinate people, vendors, schedules, and quality controls so clients can stay focused on mission outcomes.

CORE COMPETENCIES

01 FACILITIES SUPPORT

Maintenance coordination, inspections, repairs, and multi-trade services.

02 CUSTODIAL + GROUNDS

Cleaning, landscape care, pressure washing, and exterior upkeep.

03 BUILDING SYSTEMS

HVAC, electrical, plumbing, and emergency repair coordination.

04 EVENT MANAGEMENT

Conferences, retreats, training events, hotels, AV, and registration.

05 LOGISTICS SUPPORT

Transportation, supplies, scheduling, warehousing, and field coordination.

06 VENDOR MANAGEMENT

Sourcing, subcontractor coordination, quality checks, and reporting.

WHY SILVER LAKE SERVICES

- Communication-first project coordination with one accountable point of contact.
- Scalable vendor network supporting multi-trade, multi-site, and time-sensitive requirements.
- Hands-on local oversight combined with nationwide delivery capability.
- Flexible execution aligned to each agency's scope, schedule, compliance, and reporting needs.
